CLEVELAND PARK HISTORICAL SOCIETY

HISTORIC MARKERS PROGRAM

Goals and Objectives:

- Educate the community to the age of various structures within the Historic District
- Instill a sense of pride and respect in the neighborhood
- Educate the public at large to the extent of the Historic District and its boundaries

Criteria:

- Structures listed on the original National Register nomination form are eligible for recognition. To find out if your home/building is listed call us at 237-2538 or email staff@clevelandparkhistoricalsociety.org.
- Structures 75 years or older (with verification) are also eligible for recognition. Submit copy of original deed, tax bill, utility bill or other official document, which can attest to the age of your structure.

Process:

- Contact CPHS to determine if your home/building is immediately eligible. Otherwise gather documentation as necessary to confirm the age of your structure.
 - Complete the attached application form.
 - Mail form along with a check for to the Cleveland Park Historical Society.
 - \$150 per marker for CPHS members / \$175 per marker non-members
 - CPHS will send a letter confirming that your structure is eligible or if further information is necessary.
 - Applications for markers will be taken at anytime during the year. To help reduce the cost of the markers and to realize savings from bulk orders, plaques will be fabricated and shipped only once a minimum number of requests are on hand. However, no less than two orders will be placed in any given year (usually December and May).
-

Yes, I am interested in purchasing a historic marker for my home/building. Enclosed is my check made payable to the **Cleveland Park Historical Society**. I understand that if my home/building is not listed on the National Register nomination form for the Cleveland Park Historic District, that I will be required to provide verification of the age of the structure. If unable to do so, my check will be returned in full.
